

TRUE UNDERCOUNTER REFRIGERATOR

15 Series & 24 Series

The True Undercounter Refrigerator is the perfect way to enhance your kitchen and living space. This high-performance system brings commercial-grade cooling to your home, providing space for all of your extra beverages and food items. Whether you are using the True Undercounter Refrigerator to complete your outdoor kitchen, complement your existing appliances, or as a convenience in your breakfast bar, this flexible refrigerator will suit any application.

Available in right or left hinge and glass door, stainless steel door, solid panel ready, or framed panel ready models.

- Industry exclusive, 300-series stainless steel throughout.
- Zero-clearance hinging allows for integrated installation.
- Patented TriLumina™ LED lighting gently illuminates your product and allows you to choose from white, amber, or blue with the push of a button.
- Low-E, double pane, UV tinted glass.
- True Precision Control™ with steel touch technology and readout provides digital accuracy.
- Balanced, forced-air refrigeration system enables rapid product pull down and even temperature throughout.
- 2 adjustable/removable stainless steel encapsulated glass shelves.
- TrueFlex® shelving system allows convertibility to a beverage center or wine cabinet.
- Star-K compliant.
- Standard with lock (stainless steel models only).
- Industry exclusive UL rated for outdoor use.

Stainless steel encapsulated glass shelves
