

TRUE UNDERCOUNTER REFRIGERATOR — DRAWERS

24 Series

Whether indoors or outdoors, the True Professional Series® Undercounter Refrigerator Drawers are the ideal addition to your home. Designed to provide complete flexibility while also enhancing your existing space, the True Refrigerator Drawers give you all the additional cold storage you need.

Available in stainless steel door or solid panel ready models.

- Industry exclusive, 300-series stainless steel throughout.
- High quality, white dual LED lighting illuminates both the top and bottom drawers.
- True Precision Control™ with steel touch technology and readout provides digital accuracy.
- Balanced, forced-air refrigeration system enables rapid product pull down and even temperature throughout.
- 2 heavy duty Lexan organizers per drawer.
- Exclusive True®-Glide soft-close feature for both drawers.
- Rated for both beverage and open food storage.
- Star-K compliant.
- Industry exclusive UL rated for outdoor use.

True Precision Control™

Rated for both beverage and open food storage

Heavy duty Lexan organizers
